

WE DO NOT CONDONE THE ACTIONS OF THE PIED PIPER!!!

As fellow musicians we cannot stand for this kind of abuse.

Our team has advised us against saying something, but we know that SILENCE IS VIOLENCE! As I'm sure you've all heard, the pied piper recently led 130 children of Hamelin to their ultimate demise in 1284. Using musical charms, gay apparel, and exquisite handsomeness to enable such toxic, abusive, and hurtful behavior is far from acceptable. We are distancing ourselves as far as we possibly can from the piper community at this time but pray for their healing and will aid in their unlearning and accountability processes however we see fucking fit honestly... We hope that you all understand where we're coming from and stand in solidarity with us during these difficult and sexually confusing times. If you or someone you know has fallen victim to the whimsical nature of well dressed men playing erotically charged tunes for their army of rats do not hesitate to reach out to us for support. WE WILL FIGHT UNTIL WE ARE DONE OR DISINTERESTED!
